Riidl Somaiya Vidyavihar FABLAB Facilities Membership Plans

riidl, Somaiya Vidyavihar has emerged to become a world class Technology Business Incubator and a Fablab. With the guidance of Department of Science and Technology (DST), Department of Biotechnology DBT BIRAC, Government of India and MIT USA's Fab foundation, riidl has set up some world class high end machines.

Curious to know what can you make at riidl?

Here are some of the projects made by our makers to inspire you: Art Installations, Wood Working, Laser Cutting, 3D Printing, Robotics, Printing Textiles, Upcycling, Virtual Reality projects and more...

We run [Fab Academy](#) and short courses separately for members, so they can access and use the fablab at its full potential. Eg: 3 Days Crash course to learn (3D printer, Vinyl cutter, Milling and Laser Machine):

Application form: <https://airtable.com/shr2wAldDvbqrbYS6>

Membership fee structure of riidl:

Sr. No.	Type of Membership	Monthly (INR.)	Six Months (INR)	Annual (INR.)*
1.	Somaiya Students	600	3200	6000

1. Membership

Membership benefits which will be provided on the time of enrollment and the benefits will be provided till the membership duration.

1.1 Monthly Membership:

Benefits:

- Basic Training to start using machines(Laser cutter, 3D printer, vinyl and milling machine) with one assignment.
- Access to Laser cutting machine, 3D printer, Milling Machine, CNC wood router, Vinyl cutter. You can book the machines online https://riidl.org/fablab/machine_book

1.2 Six months Membership:

Benefits:

- Basic Training to start using machines(Laser cutter, 3D printer, vinyl and milling machine) with one assignment.
- Access to Laser cutting machine, 3D printer, Milling Machine, CNC wood router, Vinyl cutter. You can book the machines online https://riidl.org/fablab/machine_book
- Get support for 10 days Mentoring for one project.
- Internship opportunities with riidl and our incubated startups.
- Apply and present directly to the riidl team, to participate at India's Biggest Maker Gathering Maker Mela www.makermela.com

1.3 Annual membership:

Benefits:

- Basic Training to start using machines(Laser cutter, 3D printer, vinyl and milling machine) with one assignment.
- Access to Laser cutting machine, 3D printer, Milling Machine, CNC wood router, Vinyl cutter. You can book the machines online https://riidl.org/fablab/machine_book
- Getting support for 30 days in prototyping development + Mentoring for one project.
- Internship opportunities with riidl and our incubated startups.
- Intellectual property filing support.
- Access to all the tools at the space.
- Support in connecting with vendors, getting networking opportunities our industry mentors and startup founders.
- Apply and present directly to the riidl team, to participate at India's Biggest Maker Gathering Maker Mela www.makermela.com
